First-Ever Vegetarian/Vegan Festival

*Saturday, October 2, 2010, 10 a.m. to 6 p.m.
Curtis Hixon Waterfront Park
600 North Ashley Drive in Downtown Tampa*

Veg Fest, the first event of its kind in the Tampa Bay area, will be a fun day in a beautiful downtown Tampa setting for vegetarians, vegans, and everyone else interested in learning more about healthful food options — or who just want to enjoy a first-time event that promises to be a popular annual happening. Whet your appetite with free food samples, and then feast on delicious veg food sold by area restaurants. Tap your feet to live local bands, take in impressive guest speakers, and check out cool arts and crafts from local artists. Meet (and perhaps adopt) cats and dogs looking for good homes, and enjoy fun and games with the kids. The event is free, and all are welcome — including, of course, dogs on leashes.
