

The organizers of The Group That Shall Not Be Named want to see how creative our members can be. How you ask? By letting you design what you want to symbolize the world's largest Harry Potter Meetup.com group!

Please read the following carefully. It contains the instructions on design criteria and submission information.

We are looking for two different types of designs.

#### 1) Official Logo

We are PARTICULARLY looking for designs that can be used for:

Buttons (both square and round)

Bumper stickers and smaller stickers

Mugs

Key Chains

One of the design goals is to have a button we all can wear to identify our group at Terminus and of course other future events.

We also hope to have a basic logo that can be used on the other items listed (mugs, key chains, etc.) but we are also open to any fun design ideas you have for bumper stickers and such.

#### 2) Official T-shirt Design

We love the idea of getting tons of t-shirt designs, and we might make multiple t-shirts. But we want to pick one final design that will be our OFFICIAL t-shirt, something that stands out. If your idea is just a slogan, motto, funny line, etc, please submit it as well, we can always produce it as an additional item.

How to submit your design:

All email submissions should be sent to [tgtsnbn@gmail.com](mailto:tgtsnbn@gmail.com). THE SUBJECT MUST READ "HP MEETUP SUBMISSION".

We will accept digital files in the following formats:

CD, pen drive, floppy disk, e-mail attachment (under 10 Megs).

If your file is larger than 10 megs, please contact Jon Rosenthal directly.

We will accept work on paper or other materials as well. It MUST, however, be something that can be placed on an 8 ½ x 11 flatbed scanner

Please let us know ahead of time if you are bringing a piece during a Meetup.

If you want to submit outside of a Meetup event, please contact one of the organizers.

We will take any creative medium you would like to submit to us for review. Whether it is artwork, computer graphics, text, or whatever other form of expression our creative members can dream up.

The final submission date is June 30th.

Note\*

\*All items submitted to the group that shall not be named will become property of the group and we reserve the right to use those submissions in relation to this group.

\*The Org Committee will make the final decisions regarding which designs will be used.
