Saturday June 6th 10.00-11.00 am Ages 5-9
11.00- 12.00 am Ages 10-14

Call now to register!!!

With the popularity of ballroom dancing on the rise, we would like to extend it's valuable benefits to your children. Whether the dance is practiced simply for fun or in a competitive arena, we believe that ballroom dancing helps establish a sense of teamwork and cooperation. We also contend children learning dance in a healthy and creative environment will promote self-confidence, build self-discipline, and expand their imaginations.
