

WCS Weekend Workshop

Sunday, May 31, 2009

with
Robin Smith
& Shari Huggett

Many of you have requested more advanced classes....
Well, here they are! These classes are needed on a regular basis and designed for WCSwing dancers that are comfortable with the basics. We will focus on a wide range of subjects from tricks to musicality.. The concepts and techniques taught, will be learned and retained best by hearing the information more than once. This is why they will now be a bi-monthly occurrence on the last Sunday every other month! Space is limited, so pre-registration is highly recommended!

Held at
Loafers Beach Club
3914 Atlantic Ave.
Raleigh, NC
27604

Classes will be taught at Loafers Beach Club. There will be practice time in between classes! Due to a private party booked, we will not have a party this time. Look for the party and dinner to come back in July!
