IGGY Ambassadors, a group of 125 Puget Sound-area Italian Greyhound families, wish to make this donation of dog and cat food to The Humane Society for Seattle/King County. Your charity was chosen because it best represented the members of our group, people living in all cities of the Puget Sound area, including King, Pierce, Snohomish, Thurston, Kitsap, Mason and Lewis counties, and British Columbia, Canada.

IGGY Ambassadors use the power of the internet to create IRL (in real life) experiences for themselves and their dogs. As a person who shares my life with an IG (Italian greyhound), I felt like an ambassador for the breed no matter where I went, constantly answering questions about my small, beautiful dog. I knew I wasn't alone and in April 2006 started a "meetup" group using the features of meetup.com. Others joined me, and today IGGY Ambassadors is the largest of 20 Italian greyhound meetup groups in the United States (and the world).

On December 30th we held our monthly meetup "fun run" at Great Dog Daycare in the Northgate area of Seattle and about 35 members brought food donations to share with homeless pets living at The Humane Society shelter in King County. We wanted to share our resources and help pets less fortunate than our amazing Italian greyhounds living with our families.
