

LOST DOG

ITALIAN GREYHOUND

RIO is a very skinny, shy, 3 year old male, mostly white with black patches - Italian Greyhound. Looks like a tiny greyhound racing dog. Weighs about 10 pounds.

He got spooked by the wind and rain early this morning (about 1:00 a.m.) and jumped the fence in the vicinity of **85th & Meridian North in Seattle.**

Rio is skittish and may try to nip if you grab at him. He's been treated for an abscess, and just now starting to eat and feel better.
