Join us for an upbeat exploration of practical ideas and financial concepts that could help you survive unemployment. At Ayres Financial Group, we care deeply about our clients and our community. When we began hearing the overwhelming need for a program of this type, we answered the call. Tapping into our Advisors' extensive experience, we went to work gathering helpful ideas and practical advice that could make a difference.

Our program is simple and relevant. "Lost Wages" was tailored to your unique needs in this time of crisis. In our seminar you will be inspired to take control of your financial life at a time when things feel out of control. Your presenter, David Boykin, reflects on over 20 years of experience as a corporate recruiter, financial advisor, and success coach to give you helpful insights on finances, job hunting, budgeting in a time of crisis, available government resources and more.
