

# The St. Petersburg Wind Ensemble

A unique ensemble to St. Petersburg

Mondays  
7pm

Tel: 727-599-5935

A new ensemble has emerged to fill the need for the classic band repertoire, and we're looking for players! This band will play the likes of Copland, Grainger, Holst, and Clifton Williams. We have openings on all instruments. So take a tab, give us a call, and tell us what you play!
