To create the file we request:

1. Completion of enclosed Membership application.

Once at the top of the list, we require:

3. Three (3) letters of sponsorship/recommendation from current members.
4. A family profile outlining professional affiliations, personal and community interests and other Club affiliations and activities.
5. Passport-style or comparable photos of **all** household members.

Please also know that the Club requires a \$100 fee, per year to keep your name active on our waiting list (approximately 3 years for someone adding their name to the list today).

If I can be of any further assistance, please do not hesitate to call my office at **(858) 551-4628** or via email at membership@ljbtc.com. Otherwise, I will look forward to receiving the requested information and beginning the membership application process.
