

# Join Jeffrey M. Smith at Chicago's Greenfest and Help End the Genetic Engineering of our Food Supply

Jeffrey M. Smith has presented in 32 countries and counseled world leaders on every continent. He is the Founder of the Institute for Responsible Technology and author of *Genetic Roulette* and *Seeds of Deception*—the world's bestselling book on the topic.

## What our alumni say about the training:

"The Speaker Training has given me a level of authority in any discussion regarding genetically modified organisms. I would rate my preparedness a 6 before the training and a 9 afterwards."

—L.B., Los Angeles

"Jeffrey's Training was chock full of compelling information and great visuals of the Power Point presentation. I appreciated his down to earth style, sense of humor and emphasis on the positive."

—B.U., New Paltz, NY

"Jeffrey Smith's GMO Speaker Training is fantastic. Jeffrey's training really helped me pull together everything I've learned and focus on the most important aspects of the GMO issue. He taught us how to speak about the GMO issue, simply and succinctly. It's an invaluable training and highly recommended for everyone."

—S. F., Moms for Safe Food

## Saturday May 14

*Don't Put That in Your Mouth*

5–5:45 p.m.—lecture

Greenfest Main Stage, McCormick Place (Lakeside)

The American Academy of Environmental Medicine urges all doctors to prescribe diets without any genetically modified foods. Find out about the serious health dangers of GMOs, and how scientists who discovered them were fired, gagged, and threatened. Learn how to avoid GMOs, and how we can eliminate them from our food supply. [www.greenfestivals.org](http://www.greenfestivals.org)

*Non-GMO Activist Circle*

5:45–6:30 p.m.

Greenfest Main Stage

Local and National non-GMO Action Groups are forming all over the US, to engage in powerful coordinated action to create the Tipping Point of consumer rejection against GMOs — to force them out of the market. This is your opportunity to get on board, share ideas, and be part of this historic movement.

## Sunday May 15

*GMO Speaker and Activism Training with Jeffrey Smith*

9:30–5 p.m.

University Conference Center, 525 S. State St., Chicago

Spend a day with non-GMO leader Jeffrey M. Smith; learn how to speak about genetically modified organisms (GMOs) and to organize effective activism. Learn the five components of a GMO presentation, why genetically engineered foods are dangerous, how to customize PowerPoint slides (provided), and proven ways to motivate people. Graduates can join a GMO Speakers Bureau, participate in ongoing webinars, and join the network of active campaigners reclaiming a non-GMO food supply.

**All day workshop fee:** (Early discount before May 1: \$70/\$120)

\$80 for individual

\$140 for couples

\$40 for students

Partial scholarships available—request [margherita@responsibletechnology.org](mailto:margherita@responsibletechnology.org). Register online at <http://responsibletechnology.org/speaker-training-calendar>
