Petition to Vote for an Elected Bayonne Board of Education

We citizens of Bayonne are dissatisfied with the current system of the Bayonne government's (mayoral) appointment of the Bayonne Board of Education.

We citizens of Bayonne believe that citizen voters in Bayonne should elect Bayonne Board of Education Board members to improve its performance, increase transparency of transaction and policy, and better represent citizen, taxpayer, parent and student interests.

Therefore:

We citizens of Bayonne petition the Bayonne City Mayor & Counsel to create a referendum ballot for an elected Bayonne Board of Education.

****By Signing below, I certify that I am a Bayonne resident, over 18 years old & eligible to vote.**
