will be screening a new film

Dark Legacy

George Bush and the Assassination of JFK

at the Media Education Foundation - Frances Crowe Community meeting space
7:00 PM <> Wednesday, September 23, 2009 <> 60 Masonic St., Northampton, MA <>

Dark Legacy: George Bush and the Assassination of JFK is a thoroughly documented, criminal indictment of George Herbert Walker Bush, establishing him beyond a reasonable doubt as a supervisor in the conspiracy to assassinate John F. Kennedy.

A film by John Hankey - www.jfkii.com -

The public invited to join Valley 9/11 Truth's open meeting at 6pm and discussions following film.
