

Please Join Me In Voting On HR 1234 and My 12 Point Plan for Bringing Our Troops Back Home NOW !

My name is Dennis Kucinich, and I'm the US Representative from Cleveland, Ohio. I'm asking you today to join me in voting on my 12 Point Plan for bringing our troops back home from Iraq. I'm asking for your support in this manner, since I firmly believe that you, a member of our family of American people, who stand for what's right with our country, will vote your conscience. Please share this note with whomever you consider a good friend, a loved one, or simply someone that you care enough about to extend this offer to participate in a fully functioning democratic process. We will honor your needs for privacy, as you choose, by simply asking that you select your support position in our voting section at the end of this note. We look forward to hearing from you, the American People, on this important issue.

Peace,

Dennis Kucinich (D-Ohio)
