

NORTH CAROLINA CANNOT AFFORD FOUR MORE YEARS OF BUSH-MCCAIN

UNDER THE BUSH ADMINISTRATION

- Our state has **lost almost 30%** of its manufacturing jobs, pushing the overall unemployment rate to 6.6%, the highest rate we have seen in years.
- Median household income has **fallen by 7%**.
- We are paying **more than ever** for both fuel and food.
- The cost of health care has **doubled**.
- The number of uninsured in North Carolina shot up by 50%, to **1,500,000 of our citizens**.

North Carolina can't afford four more years of the failed Bush-McCain economic policies. It's time for a change.
