Lighting Patterns Workshop with Chad Hill and Alex Hoffman

I am happy that you will be attending the lighting class with Chad Hill and Alexandra Hoffman. I have included a map to the pre-paid parking located at 425 Main St. at the Old Bank District Garage.

Items to bring with you:

- Camera
- USB memory stick and CD for you to take your work with you.
- I also suggest that you bring a writing pad or some other way to take notes.

I am looking forward to you having a great experience.

Ron Talley
