

**9/11 Dust and Deceit**  
at the world Trade Center

**a film by Penny Little**

Reveals the disturbing and heartbreaking story of the toxic dust and environmental disaster of September 11th. Includes interviews with heroic volunteers and First Responders who worked in the dust and on The Pile in the wake of the tragedy, many of whom are now themselves victims of the toxic dust. Thousands of people are ill, many have already died.

*Given the scope of the tragedy from last week, I am glad to reassure the people of New York and Washington, D.C. that their air is safe to breath...*

EPA Administrator, Christie Whitman
