

# THE ELEPHANT IN THE ROOM

Are these crazy conspiracy theorists?  
Or is 9/11 Truth a credible political movement?  
You decide

A documentary film that follows British filmmaker Dean Puckett through his journey into the 9/11 Truth Movement.

The filmmakers travel from middle England, across Europe and to New York for the six year anniversary of the attacks, where the film takes one final twist as we are introduced to the **9/11 first responders** who are suffering from various grave health difficulties due to the toxic dust that they breathed in trying to help their country during the weeks after this tragic event.

**Sunday March 8th, 2009 6:30pm**
