When-ever you’re watching a hula girl dance,
You gotta’ be careful, you’re tempting romance
Don’t keep your eyes on her hips,
Her naughty hula hips, keep your eyes on the hands

Remember she’s telling a story to you
Her opu is swaying, but don’t watch the view
Don’t concentrate on the swing,
It doesn’t mean a thing, keep your eyes on the hands

And when she goes around the island
Swinging hips so tantalizing,
Keep your eyes where they belong
Because the hula has the feeling
That will send your senses reeling
It makes a weak man strong
Your eyes are revealing, you’re fooling no one
No use in concealing you’re having some fun
But if you’re too young to date or over ninety eight,
Keep your eyes on the hands.

And when she goes around the island
Swinging hips so tantalizing,
Keep your eyes where they belong
And when her grass skirt goes a-swishing,
Keep your head and don’t go wishing,
That you would like to mow the lawn.

Your eyes are revealing you’re fooling no one,
No use concealing you’re having some fun,
But if you’re too young to date or over ninety eight
Keep your eyes on the hands, they tell the story,
Just, keep your eyes, on the hands.
