Am                         G
Baby, do you understand me now
F                                       E
Sometimes I feel a little mad
Am                                                     G
But don't you know that no one alive can always be an angel
F                                        E
When things go wrong I seem to be bad
Chorus 1:

C                                   Am
But I'm just a soul whose intentions are good
F(hold)     F(hold)  Am    Dm    Am    Dm
Oh Lord, please don't let me be misunderstood

Am                         G
Baby, sometimes I'm so carefree
F                                       E
With a joy that's hard to hide
Am                                                     G
And sometimes it seems that, all I have to do is worry
F                                        E
And then you're bound to see my other side
Chorus 2:

C                                   Am
But I'm just a soul whose intentions are good
F(hold)     F(hold)  Am + + G
Oh Lord, please don't let me be misunderstood
