We will have a private room for great conversation with friends, while enjoying an extensive buffet in a relaxed atmosphere. You will be able to get up again and again to taste all the food varieties.

Our Annual Chinese Auction will take place here. During the Holiday Gift Giving / Receiving Season, if you get a gift that "just is not you" --- think about donating it to TCLI. We will add it to the **Chinese Auction** at this Valentine's Brunch. A gift that you don't care for could be just the thing someone else really likes. This is a GREAT way of re-gifting - just let me know you have something and we will get it.
