Learn How to PROFIT during these TOUGH ECONOMIC TIMES!

The Investors Institute Economic Summit is the event that has all of Silicon Valley buzzing! Top experts from the fields of personal finance, real estate, paper assets, venture capitalists, business experts and executives from major corporations will all be speaking on the current economy and where investors should be putting their hard-earned money.

A full day of action packed events will ignite the power within and give investors the action plan they need to build portfolios based on sound advice and education, not fluff and speculation.

Also, you don't want to miss out on the chance to find a great deal at the **LIVE HOME AUCTION**. We will be featuring properties located in: Pensacola, FL, N. Gulfport, MS, Jackson, TN, Bethel Springs, TN and more! Be one of the first to participate in this first of many nationwide auctions to be broadcast to both **live and online buyers!**

Learn from many **TOP EXPERTS** from around the world. Here are just some of the speakers you will hear from...
