The New York Halloween Meetup group is a brand new and has yet to even officially meet. The first event will take place at the end of the month. Oh what do you know... We will be 6 months away 'till next Halloween. Hopefully yo will become the next Halloween buff on the block. Maybe you already are? This is a great way to learn about different traditions and cultures that compose Halloween into one big wild night. If anything else... "Meet other locals who are very into celebrating Halloween; plan parties, trips, and get together with Halloween themes.

### NEW YORKERS FOR CHANGE

*Correction: Beth has been an organizer of The New York City Jazz Meetup Group since October 2006*

A few weeks ago Beth attended a March to end the war in Iraq. The event was so much fun that she got the organizer bug that so many of us have caught this long extended winter. Beth is a fantastic organizer. I went to the Jacob Javits Center about 6 months ago for a tech show. Actually I supplied the

free tickets code but was still hesitant about organizing an event to the show. Anyway long story short is despite everyone coming in at different times to the show Beth was very accommodating. Beth's next event is actually tomorrow. More events will follow if you cannot attend. To learn more see website:

### About Meetup

Meetup.com helps people find others who share their interest or cause, and form lasting, influential, local community groups that regularly meet face-to-face. We believe that the world will be a better place when everyone has access to a people-powered local Meetup Group. That's our goal.

Meetup Groups help people:

- Find others who share their interests
- Get involved locally
- Learn, teach, and share things
- Make friends and have fun
- Rise up, stand up, unite, and make a difference
- Be a part of something bigger — both locally and globally

We're proud to give more power to the people and we believe it's possible to make a profit and make a difference.

# The Cultured ones Meetup Group

*Formerly The Cultured and Worldly Meetup Group*

To be honest I never been to this group since it is so \*NEW\*... Daria is a fun person so I am sure her group will match her personality. According to her website "This group is for cultured and worldly individuals or those who want to become worldly; and we just don't do your normal movies, clubs, etc. We do it all! Cafes, museums, underground spots in NYC, teahouses, coffeehouses, restaurants, etc and or yeah...clubs/movies included." Her next event is also tomorrow but please do not worry... Stay tuned to The Cultured one Meetup Group and sign up here: <http://culturecircle.meetup.com/21/>

## INDIE/BRITPOP FANS UNITED

Although the main focus of this group is for BritPop fans to unite they do not mind if you are not British. But half the members for some odd reason are in fact British. Go Figure??? I highly recommend this meetup group. They have events happening almost every single night. However it is extremely hard to find the group because of the venues they frequent. My best advice is to know a few people and/or have a point of contact to reach the group. Otherwise it might be a little tricky. However, you can count on this group to be doing something almost every single night.

Their next event is scheduled for

**\*TONIGHT.\*** Or you can wait 'till tuesday or thursday of next week. Oh forget it they have such a filled up calendar I cannot possibly list all the events they have lined up. Join the group and get your Indie Pop music spirit on.

Please visit their website you will not be disappointed:
