THE SAINT MICHAEL TRIO

“**The Saint Michael Trio** is Silicon Valley’s hot new sensation. If these guys were a company, I’d buy stock” [*San Jose Mercury News*]. “**The Saint Michael Trio** plays with a zest that is contagious” [*Palo Alto Weekly*]. Formed in 2007, this artistically fresh and energetic chamber ensemble (violinist **Daniel Cher**, cellist **Michel Flexer** and pianist **Russell Hancock**) has quickly established itself as Northern California’s premier piano trio, eliciting praise and acclaim for vivid interpretations of the classical chamber literature. At our Presidio venue, SMT performs masterworks from Debussy, Mendelssohn, Chaminade and others, plus piquant offerings of jazz, jazz fusion, tango and little Hollywood . . .

Also on the program: Youth pianist **Christine Kim** from the Preparatory Division of the San Francisco Conservatory of Music.

A suggested donation of \$5 per person, gratefully received at the door, will aid us in presenting this and future concerts. Your generosity will be appreciated.
