## AASuccess Thanks

Sunday, 24 October 2010 21:29

On October 21st, AAS received a donation of \$491 dollars for our AASScholarship Fund during a social event at Club Modern in Georgetown. This event was organized as a happy hour for Asian-Americans or those in their 20's and 30's interested in Asian culture, and we requested that attendees make donations towards our Scholarship Fund. On behalf of AASuccess, we would like to say: Thank you from the bottom of our hearts to JT (for all his help in organizing the event), the "20's and 30's Going Out Asian MeetUp" group (for co-sponsoring), and all the rest who helped contribute to the event's success. We would not have raised \$491 dollars without your support and generosity!

P.S. If anyone is interested in the "20's and 30's Going Out Asian MeetUp" group, [click here](#) for more information.
