Sky's the Limit Adventures - Travel and Social Club (STL Adventures) is the region's most active and fastest growing social, cultural, travel and outdoor activity club in and around Atlanta, Georgia! Started in February 2007, the group is growing at a tremendous rate with new members everyday! As of December 2010, **STL Adventures** has over 3,600 adventure enthusiasts from Atlanta and beyond, the largest Meetup group in Georgia!

STL Adventures started out as a social group with activities in and around the city of Atlanta. Due to the amazing and enthusiastic organizers and members, STL Adventures now hosts adventures around the world. STL hosts adventures that range from being a cowboy one weekend or dancing the night away, from seeing a show in Midtown, Atlanta to seeing one in Midtown, New York. From rooting on the Atlanta Braves to braving the route down the rapids on the Chattooga river. From watching a movie at Screen on the Green to playing a round of golf on the green. Hiking up Kennesaw Mountain or taking a bike ride on Silver Comet, gliding over the tree tops or jumping out of a plane, concerts and art galleries, trying new restaurants, International and Domestic travel and so much more! We have fun adventures that you can bring out the kids, pets or significant others. Some of our activities are fundraisers for non-profits and some are to help out in the community.

STL Adventures has a huge internet presence on **Meetup.com**, **Facebook** and **Twitter!** The group has been featured on Q100 Atlanta as one of the best ways to meet people in Atlanta. According to Google Analytics STL Adventures has an average of 10,000 visits per week!
