```
Gm7                      Bbmaj7       F                     Gm7
  I am a lineman for the county       and I drive the main road
Dm7              Am7     G       D
searchin' in the sun for another overload.
                           Am7                                 G
I hear you singing in the wires,      I can hear you in the whine
Gm                 D        Am7                  Bb
   And the Wichita Lineman       is still on the line.
Am7   Bb (hit once and let ring)

    Dm7              Am7                  G              D
