

PRESENTS:

The Power of Community: Kick-starting Local Currency Initiatives

- § Do you wonder why your money seems to buy less and less?
- § Are you worried about the economy and your children's future?
- § Are you worried about losing your home, your savings, and your retirement fund?
- § If the United States of America is the "richest nation on earth", then why are we all in debt?
- § Did you know that people all over the world are bringing financial stability to their community by using a local currency system?
- § Would you like to do some of your business today using a community currency?

Learn about the implications of the current system for you and what alternatives exist at this FREE informational presentation event!

Highlights

- Special Guest Speaker: Kevin Innes presenting on "Liberty Dollar", "Free Lakota Bank", and "consensus meeting skills".
- Special Guest Speaker: Ron Helwig from Shire Silver
