

WAITSTAFF OF THE WORLD UNITE!!

**The next
President of the
United States
needs help to
KEEP THE
GOVERNMENT'S
HANDS OUT OF
YOUR POCKET!**

**Ron Paul has introduced
a revolutionary bill in
Congress to allow you to
KEEP YOUR OWN TIPS.**

Here's what Dr. Paul said on September 25th:

"Madam Speaker, I rise to help millions of working Americans by introducing the Tax Free Tips Act ... mak[ing] tips exempt from federal income and payroll taxes ... [T]he amount of a tip usually depends on how well an employee satisfies a client. Since the amount of taxes one pays increases along with the size of the tip, taxing tips punishes workers for doing a superior job! ... Helping Americans improve themselves by reducing their taxes will make our country stronger."
