
Ron Paul 2008

HOPE FOR AMERICA

Presidential Candidate

Ron Paul (R-TX)

is the leading advocate for freedom in our nation's capital. As a member of the U.S. House of Representatives, Ron Paul tirelessly works for limited, constitutional government, low taxes, free markets, and a return to sound monetary

policies. He is known among his congressional colleagues and his constituents for his consistent voting record. Ron Paul never votes for legislation unless it is expressly authorized by the Constitution. In the words of former Treasury Secretary William Simon, Ron Paul is the "one exception to the Gang of 535" on Capitol Hill.

Ron Paul graduated from Gettysburg College and the Duke University School of Medicine, before proudly serving as a flight surgeon in the U.S. Air Force during the 1960s. As a specialist in obstetrics/gynecology, Dr. Paul has delivered more than 4,000 babies. He and his wife Carol, who reside in Lake Jackson, Texas, are the proud parents of five children and have eighteen grandchildren.

Dr. Paul's nickname as a Congressman is "Dr. No," because he always says 'No' to lobbyists, 'No' to bills that increase bureaucracy, and 'No' to bills that decrease freedom.
