

"Audit the Fed" Petition to Representative _____

WHEREAS: *Congress, the Federal Reserve, and the U.S. Treasury have indebted the American taxpayer for over \$12 trillion in bailouts and loans; and*

WHEREAS: *Federal Reserve Chairman Ben Bernanke recently **refused** to tell Congress who has received trillions in these funds from the Federal Reserve; and*

WHEREAS: *Allowing the Fed to operate our nation's monetary system in almost complete secrecy leads to abuse, inflation, and a lower quality of life for every American; and*

WHEREAS: *Congressman Ron Paul's HR 1207, the Federal Reserve Transparency Act, would require a full audit of the Fed for the first time in its history and would provide answers to the American people about how our money is being spent;*

THEREFORE: **It's time to hold the Federal Reserve accountable to Congress and the American People. I urge you to immediately cosponsor HR 1207! Failure to audit the private Federal Reserve Bank may result in no incumbents being voted in during the next election.**
