"Audit the Fed" Petition to Senator _____

WHEREAS: *Congress, the Federal Reserve, and the U.S. Treasury have indebted the American taxpayer for over* ***$12 trillion*** *in bailouts and loans; and*

WHEREAS: *Federal Reserve Chairman Ben Bernanke recently* ***refused*** *to tell Congress who has received trillions in these funds from the Federal Reserve; and*

WHEREAS: *Allowing the Fed to operate our nation's monetary system in almost complete secrecy leads to abuse, inflation, and a lower quality of life for every American; and*

WHEREAS: *Senator Bernard Sanders' S.604, the Federal Reserve Sunshine Act, would require a full audit of the Fed for the first time in its history and would provide answers to the American people about how our money is being spent;*

THEREFORE: It's time to hold the Federal Reserve accountable to Congress and the American People. I urge you to immediately cosponsor S. 513 and S. 604 in the senate! Failure to audit the Federal Reserve may result in no incumbents being voted in during the next election.
