

Msg from OK State Rep. Charles Key

Dear Friend,

Thank you for your recent message concerning HJR 1089.

First, let me tell you that I have been overwhelmed by the number of phone calls and emails in support of the bill and simply cannot respond to each one individually. So I apologize for this 'form like letter' response.

Secondly, I am honored by your kind words of support and greatly encouraged that you and so many other people all over the country understand that the U.S. Constitution is the supreme law of the land - regardless what the Supreme Court, Congress, or anyone else says or does.

I believe it is very clear that the federal government has gone far beyond its lawful boundaries and needs to be corrected. Unfortunately, many have stood silently by and allowed this to happen even though they took an oath to protect and defend the constitution against enemies both "foreign and domestic".

Now more than ever we must hold public officeholders accountable to the oath of office they took to follow the Constitution.

I need your help to identify other state legislators in your state who are or might be willing to sponsor the Tenth Amendment Resolution in their state. If you know of such legislators, please e-mail their names to my legislative assistant Sharon Brown at sharon.brown@okhouse.gov.

Thank you again for your support and efforts on behalf of our country.

Sincerely,

Charles Key

P.S. Because you contacted my office, I have put you on an email distribution list for future communication about this and other issues. If you do not want to be on this distribution list, please contact my legislative assistant, Sharon Brown at sharon.brown@okhouse.gov or call her at 405-557-7354.

P.P.S. Many have asked if they can help by contributing to my re-election. If you would like to help in this way, please send your contribution to:
