You say you want a revolution,  
well, you know,  
we all want to change the world.  
You tell me that it's evolution,  
well, you know,  
we all want to change the world.  
But when you talk about destruction,  
don't you know you can count me out.  
Don't you know it's gonna be alright.  
Alright. Alright.

You say you got a real solution,  
well, you know,  
we'd all love to see the plan.  
You ask me for a contribution,  
well, you know,  
we're all doing what we can.  
But when you want money for people with  
minds that hate,  
all I can tell you is brother you have to wait.  
Don't you know it's gonna be alright.  
Alright. Alright.

You say you'll change the constitution,  
well, you know,  
we all want to change your head.  
You tell me it's the institution,  
well, you know,  
you better free your mind instead.  
But if you go carrying pictures of Chairman  
Mao,  
you ain't going to make it with anyone  
anyhow.  
Don't you know it's gonna be alright.  
Alright. Alright.

Alright. Alright.  
Alright. Alright.  
Alright. Alright.  
Alright. Alright
