

Hi;

My name is John Vidurek and I am a member of the Mid Hudson Ron Paul Meet-up group in New York. The purpose of this communiqué is to endeavor to unite all the Ron Paul Meet-up Groups and other Ron Paul grass roots groups to promote and encourage Ron Paul for President grassroots movements in all states and localities throughout the United States; To disseminate the views and policies of Ron Paul, to help organize local action in his campaign for the Presidency and pool our resources. In short to build an effective force that will capture the attention of the “unwilling” media and get Dr. Ron Paul’s message to the people.

Organization – Communications - & Consistency is what is “required” for success! We are endeavoring to effectively organize the grassroots movement for Ron Paul for President and provide educational, motivational, and campaign materials. Our immediate need is to organize – 1 chair person from each Ron Paul Meet-up groups and other grass-root groups [1000+ chair person]; 50 State Chair persons [one for each State]; 8 State Division Chair persons, Senatorial District Coordinators; County or Parish County and local precinct coordinators. Organizational charts will be generated and efforts coordinated so that we may proceed in an orderly fashion with our important mission to get the nomination for Ron Paul.

We have some seasoned political campaigners who have put together an instructional DVD on building a nation wide campaign. The web site [www.Vote2008RonPaul.com](http://www.Vote2008RonPaul.com) has been established for the purpose of educating people as to the serious Constitutional Crises we are presently facing and also offers the available tools to get our message out. Our efforts will be funded by the "sale" of campaign materials. The web site will also communicate pertinent individual state political information.

If you wish to combine our purchasing powers, and participate in discussing and implementing strategies, please choose 1 chair person to represent your group and come join us at our first **VIRTUAL ON LINE** meeting **TUESDAY JULY 31<sup>st</sup> AT 8PM EST**. Our room has text, audio and video abilities therefore speakers will be required, and if you would like to talk you will need a mic. We also have administrative powers to maintain order.

Please no more then one (1) representative per group as we presently only have 200 seats available. [of course more then one person can sit in front of a computer] When necessary we will up grade to 1000 seats (max). The meeting will be recorded in MP3 Format and will be available to all interested parties for download one day after the meeting at [www.Vote2008RonPaul.com](http://www.Vote2008RonPaul.com)
