

Did you STOP Voting?

Do you DISTRUST politicians?

Do you HATE the IRS and Inflation?

Do you WANT the Iraq War to be over ASAP?

Do you REALLY support the troops?

Enough to bring them HOME to their families?

**Are you willing to VOTE your beliefs?
In YOUR State's Presidential Primary or Caucus?**

(Yes, we know you want THAT "lizard-like" person to NOT win
...but you can vote against THEM in November.)

In the mean time...

You were planning to NOT vote in the primary, right?

(So you were going to throw away your vote to "no-one" anyway.)

That is *exactly* what the media and the establishment WANT -- they WANT you to be apathetic -- they WANT you to NOT vote...

They WANT you to stay home and feel frustrated, angry, and apathetic. **Since when do you do what THEY want?** Isn't it time THEY do what YOU want?

**Why not have the guts to "throw"
your vote to our man[†] instead?**

[†]By "Our Man" I mean the candidate that over 100,000 of your fellow Americans sent their hard-earned money to in the past year. (And by "fellow Americans" I mean your fellow working stiffs, including a lot of active duty troops and veterans -- and NONE from pundits, lobbyists or corporate CEO's).

Help us get our country back!

We shook the ground when we donated \$4.2 Million to him last November 5th, and tried to again with \$6 Million last December 16th -- **BUT the only way to REALLY CHANGE anything is if YOU go out and VOTE FOR HIM with us in YOUR state's Republican Presidential Primary or Caucus.**

COMMON SENSE

says YOU should vote FOR the man
whose beliefs match your own.

Ignore what the
TV and Radio tell you...
Voting is NOT about picking
who WILL win... it IS about
voting FOR the things that
YOU believe in!

They will LIE about him, they will SMEAR him,
they will do anything and everything they can
to get you to stay at home and NOT vote for him...
But he is the best **HOPE FOR AMERICA**

Where we can be FREE to live our Lives
Without Fearing the Interference of an
Overbearing and Intrusive Bureaucracy.

Where we can **Redesign** and **Reform** the
Manifold "Programs and Services" to be held
Accountable to us as Citizens rather than
Be subjugated to Bureaucrats and Professionals.

Where **We The People** can once again
Fly and move about Freely as Proud Citizens,

Of a Government run amuck on power, and...

Live in a Nation **free From Fear!**
