## How the Rx For Liberty Card Works...

Everyone is either taking prescription drugs or knows somebody that is. And there are many people in today's tough economic times that have no insurance, and are paying full price for the drugs they need. The Rx For Liberty Card provides anyone with prescription discounts up to 75% - instantly, for themselves, their family members, and even their pet's prescriptions. No gimmicks – no fees to pay – EVER. These cards never expire, can be re-used again and again. They work nationwide at over 58,000 pharmacies nationwide, including all major pharmacies, and most regional and independent pharmacies. Share cards with others – family, friends, neighbors, co-workers, anywhere in the U.S.A and it's territories.

In addition to being liberated from high prescription prices, we hope that along the way, you learn more about the leader of the ongoing rEVOLution in America – Congressman, Doctor, Veteran, and defender of the U.S. Constitution, Ron Paul. Find out more about Ron Paul at [www.RonPaul2012.com](http://www.RonPaul2012.com), register Republican, and vote for Ron Paul in your state's upcoming primary.
