

# Support S 604

It is time to finally bring accountability and transparency to an institution that has helped to reduce the value of our dollar by 95% since its creation in 1913.

## You can help achieve this historic goal:

- Call the Senate at **(202) 224-3121** and urge your Senator to cosponsor S 604 and to make every effort to seek roll call votes.
- Recruit 10 friends to call the Senate and ask each of them to recruit another 10 friends.
- Write a “Letter to the Editor” concerning S 604.
- Contact your favorite local/national talk radio hosts and inform them about S 604.
