

SAVING THE DOLLAR, JOBS, AND FREEDOM: A No-NONSENSE LOOK AT ECONOMIC REALITIES

Hear JOHN F. McMANUS

**discuss money, inflation, the Federal Reserve, the Income Tax,
the US Constitution, and what every American can do**

High prices? Job losses? Investments melting away?
What's happening?

Why does the government/Federal Reserve devalue
our currency?

What does our Constitution say about money?

Who benefits and who gets hurt when a government
floods the nation with newly printed dollars?

Are the solutions offered by our leaders going to cure
or worsen the problems?

Can the economic downturn push our nation toward a
New World Order?

Join us for John's clear and understandable
explanation of this attack on your wallet and your
freedom.

John F. McManus is the author of numerous books and articles and serves as publisher of the New American magazine and President of The John Birch Society. His clearly written and spoken words have helped many Americans to understand and combat our nation's self-defeating policies.
