

Petition to “Audit the Fed”

WHEREAS: Congress, the Federal Reserve, and the U.S. Treasury have put the American taxpayer on the hook for over \$12 trillion in bailouts and loans; and

WHEREAS: Federal Reserve Chairman Ben Bernanke recently refused to tell Congress who has received trillions in these funds from the Federal Reserve; and

WHEREAS: Allowing the Fed to operate our nation’s monetary system in almost complete secrecy leads to abuse, inflation, and a lower quality of life for every American; and

WHEREAS: HR 1207, the Federal Reserve Transparency Act and S 604 the Federal Reserve Sunshine Act, would require a full audit of the Fed for the first time in its history and would provide answers to the American people about how our money is being spent;

THEREFORE: It’s time to hold the Federal Reserve accountable to Congress and the American People. I urge you to immediately cosponsor HR 1207 or S 604!
