

Ron Paul for President 2008

**Ron Paul
advocates
an immediate
and orderly
withdrawal of
all US troops
from the
no-win “war”
in Iraq.**

★ Congressman Paul never accepts money from lobbyists or special interest groups. His campaign is funded strictly by ordinary Americans like YOU!

A note to our Democratic supporters:

You must visit the supervisor of the checklist in your town by 7:30 PM, **Friday October 12th** to change your party affiliation to either Republican or Undeclared.

- ✓ has *NEVER* voted to raise taxes—will eliminate the Estate Tax—will end taxation of Social Security benefits.
- ✓ voted *NO* to the war in Iraq and *YES* to hunting down the terrorists responsible for the 9/11 attacks.
- ✓ will phase out the Federal Income Tax and the IRS by eliminating trillions of dollars spent on foreign aid, nation building, and bloated Federal bureaucracies.
- ✓ will phase out the privately owned Federal Reserve thereby eliminating the “inflation tax” that destroys the value of our money.
- ✓ voted against the “Real ID,” the “Patriot” Act, and the Military Commissions Act.
- ✓ will secure our borders, end “birthright” citizenship, and stop illegal immigration.
- ✓ will protect US Sovereignty by halting plans now underway to merge the United States, Canada, and Mexico into a “North America Union” where international laws would supersede those of the United States.
- ✓ will defend America’s constitutional form of government against globalists, the United Nations, and “free trade” agreements (NAFTA, GATT, CAFTA, WTO, ICC) which currently influence US foreign policy, spending, and legislation.
- ✓ will keep the Internet free and unregulated.
