

END THE FED

- The FED is a PRIVATE bank controlled by unelected officials.
- The FED charges the US Government a fee to print OUR money. That fee is then paid by YOUR Federal Income Tax!
- There is NO LAW stating the you HAVE to pay a Federal Income Tax.

Come join us and find out why the economy is collapsing. We will peaceably assemble between 11:00 & noon Saturday, November 22, 2008, at the plaza across Michigan Ave from the Wrigley Building (NE corner of Michigan and the Chicago River). Speakers and a march through downtown to the Federal Reserve Bank will conclude by 3:00pm.
