END THE WAR

“I rise to urge the Congress to think twice before thrusting this nation into a war without merit- one fraught with the danger of escalating into something no American will be pleased with.”-Congressman Ron Paul, September 4th, 2002

The Iraq War:

	Hillary Clinton	Barack Obama	Ron Paul
Introduced bill to end Iraq War in 2007	NO	NO	YES
Plan to remove all US troops from Iraq <u>AND</u> the rest of the Middle East	NO	NO	YES
Voted <u>against</u> Iraq War in 2002	NO	N/A	YES
Denounced doctrine of preemptive war	NO	NO	YES

Iran:

“The US should take no option, including military action, off the table, sustained and aggressive diplomacy combined with tough sanctions should be our primary means to prevent Iran from building nuclear weapons.” –**Barack Obama**

“The US cannot take any option off the table in sending a clear message to the current leadership of Iran – that they will not be permitted to acquire nuclear weapons.” –**Hillary Clinton**

“I rise in strongest opposition to this curiously-timed legislation which continues to beat the drums for war against Iran.” –**Ron Paul**

“In expanding sanctions against Iran and against foreign businesses and countries that do business with Iran, we are hurting the American economy and moving the country closer to war. After all, sanctions are a form of warfare against a nation; and, if anyone has forgotten Cuba, sanctions never achieve the stated goals.” –**Ron Paul**

a Ron Paul Presidency would:

- End the Iraq War
- Restore and Protect the Constitution
- Repeal the Patriot Act and insure Americans’ privacy
- Secure America’s Borders
- Return to sound monetary policy
- Reduce the size and scope of federal government
- Abolish the Federal Reserve and runaway inflation

Congressman Ron Paul was voted the “taxpayers’ best friend” in Congress for the past 10 years. He has never voted to raise taxes. Ron Paul has received more donations from active military than any other Presidential candidate!
