"The powers of financial capitalism had a far-reaching plan, nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole...Their secret is that they have annexed from governments, monarchies, and republics the power to create the world's money..."

-Prof. Carroll Quigley, (mentioned by former President Clinton in his first nomination acceptance speech), author of *Tragedy & Hope: A History of the World in Our Time*
