

Meetup Assistant Organizers their role by

Meetup Organizer Andrea(mr) alias **red songkok**

Our group is permitted to have 20 Assistant Organizers and I am recruiting Assistants now! Recently, I have received several questions from Assistant Organizers regarding their role. Meetup has described the role, as follows:

Assistant Organizers can:

- o Schedule new Meetups
- o Edit existing Meetups
- o Create and edit polls
- o Edit the Meetup Group's description
- o Email the Meetup Group members
- o Moderate the message board
- o Remove members

But they can't:

- o Change the Meetup Group's name or location
- o Pick the main Meetup Group photo
- o Change payment settings
- o Designate or remove other Assistant Organizers

Essentially, an Assistant Organizer has the main functions of the Organizer.

Assistant Organizers should make an effort to attend Meetups. Meetup A/O's should bring 2-3 friends to each Meetup, to introduce new people to our group.

Every member and every Assistant Organizer should use the group to raise their profile and to promote their business. That's what the group is for!!!

Our Next official Meetup is listed in the URL @
