Personal Profile

A successful Industrialist working in the stone industry for over five decades with main focus on doing business in the Constructions industry on world wide base. I am a strong multi-cultural communicator as well as an enthusiastic, entrepreneurial and self-motivating team player, consistently motivating others towards success. I take pride in my reputation as a creative problem solver and out-of-the-box thinker. I am resourceful, tenacious, independent, flexible, sociable, a quick learner and constantly looking to increase my knowledge and advance myself. Have advanced fast through consistent high performance.
