

Winner Vs loser

When a winner makes mistake, he say "I am wrong"

When a loser makes mistake, he says "It wasn't my fault"

A winner work for lifestyle and retire young and rich

A loser work, for living and never get to retire till old age

A winner find reasons to do challenging tasks

A loser find excuses and run away from it

The choice is yours.....choose to be a winner !

If you are one, contact me for a further discussion.
