About the Class:

Audio Video Conference, webinar entertainment presentation, with the possibility to interact via audio video and chat chat.

Extensible up to 5 hours and up to 500 participant.

Speaking from my heart!

Well after more than 35 years with Singapore, I have been well served and provided for all my need.

I really want to show people (particularly older people) how to use technology and the 'good side of the Internet' to help themselves, to keep independent in their own homes, to boost their self esteem and stave off social isolation.

Interested in more information! watch for upcoming webinar @: <http://www.wiziq.com/public/Session/Search.aspx?Session=Upcoming&qry=maoro>

If you can't make it to the live presentation, the recordings are available. Get the audio - video recordings Archived from thr Link @ <http://www.wiziq.com/public/Session/Search.aspx?Session=Archived&qry=maoro>
