

EL PASO COUNTY REPUBLICANS

Bonus Member Letter of Intent to Serve

Section 11.02 of the El Paso County Republican Bylaws provides as follows: “*All candidates or newly appointed bonus members must sign a letter of intent to serve. Such letter will be drafted by the Chairman and outline the duties and expectations of the bonus member.*”

Bonus Members are an important part of the structure of our local Republican Party! Thanks for considering running for this position. In order to be eligible to run for bonus member, an individual must deliver a signed copy of this letter to the Chairman or Republican Headquarters by Wednesday, January 31, 2009, or deliver it during registration on the day of the El Paso County Republican Organization Meeting.

Bonus Member Letter of Intent to Serve

I wish to run for a position as a bonus member in El Paso County. I understand that this is a **two year commitment** and that the duties of this position include but are not limited to:

- 1) Attendance and participation in **meetings of the State Central Committee**—typically one or two per year, usually in Denver but frequently in other parts of the state as well;
- 2) Attendance and participation in **meetings of the County Executive Committee**—at least 4 times a year, but typically every other month or so, usually in Colorado Springs;
- 3) **Active participation** in organizing and implementing the County’s **caucuses** and **assemblies** or **convention**;
- 4) **Support of all individuals selected as Republican nominees**—even those whom I did not support in the primary or with whom I may disagree with on some issues; and
- 5) Some level of **financial commitment**, although those with less financial resources may devote more time, and vice versa. **A set amount of time must be specified in lieu of financial commitment!**
- 6) In addition to the above I agree to chair and/or serve on a committee or a team within the volunteer structure of the organization. (Please take the space below to indicate where your talent and expertise might be best utilized including specific areas, if so desired.)
