

We the People

It's not about political parties. It's not about religion.

It's about freedom.

It's about our Constitution.

And it's all hanging by a thread.

On Tuesday, February 5th
you have one chance of a lifetime
to vote for a candidate
whose 20-year record certifies his commitment
to liberty, limited government, low taxes,
and a stronger and safer America.

Vote
Ron Paul
Republican for President

Dr. Ron Paul, M.D., is a 10-term Congressman from Texas.

He has never voted to raise taxes, for an unbalanced budget, or to raise congressional pay.

He has never taken a government-paid junket. He does not participate in the lucrative congressional pension program. He supports securing our borders, and is opposed to amnesty and "birthright citizenship." He supports American sovereignty and is opposed to regulation by international agencies. He has consistently voted against federal restrictions on gun ownership. He voted *against* the Iraq war, and voted *for* going after the terrorists responsible for 9/11.
