

# PET-FRIENDLY SHELTER INFO

Pet-friendly shelters have been established for the 2008 hurricane season.

There will be three pet-friendly shelter locations identified. Locations will be announced at the time of an evacuation.

Owners must pre-register their pets. Owners may pre-register online at [www.jaxpets.org](http://www.jaxpets.org), pick up a registration form at various locations, or call 630-CITY for more information.

The following animals will be allowed: dogs, cats, ferrets, pocket pets (such as hamsters, gerbils), rabbits, and birds (no exotics). **NO REPTILES WILL BE ALLOWED IN THE SHELTERS.** You may register three pets per family.

All pets must have proof of vaccination and registration, be properly crated/caged and maintained by their owners. No pets may be dropped off.

It is important to remember that not all shelters are activated during an emergency. This will include pet-friendly shelters. Watch the news or call 630-INFO to know which shelters are open during a disaster.

Ask at the front desk for any information regarding pet-friendly hotels.

# Jacksonville Pet Friendly Public Evacuation Shelter Registration and Agreement

## Agreement

I \_\_\_\_\_, the pet(s) owner listed in the attached registration, understand that an emergency exists and that special arrangements have been made to allow my family and pets to remain together in one of the designated Pet Friendly Jacksonville emergency shelter facilities. I understand and agree to abide by the pet care rules contained in this agreement and have explained them to any other family members accompanying me to the shelter and assisting me with my pet(s).

## Rules

1. My pet will remain contained in its carrier except at scheduled times. During scheduled relief time, my pet will be properly confined with leash, harness and/or muzzle (as necessary).
2. I agree to properly feed, water and care for my pet. I agree that administration of all medication is my personal responsibility as designated by my veterinarian.
3. I agree to properly sanitize the areas used by my pet, including performing proper waste disposal and disinfecting as instructed by the shelter facility manager.
4. I certify that my pet is current on rabies and all other vaccinations recommended and agree to assume the cost of these vaccinations if given at the shelter because records are not sufficient to show my animal is fully protected.
5. I will maintain proper identification on my pet and its carrier at all times.
6. I will permit my pet to be examined by qualified animal shelter personnel to determine if medical or stress conditions requiring attention are present. I further agree to administration of medication to relieve any and all symptoms.
7. I assume full responsibility and liability for the behavior of my pet at all times.
8. I acknowledge that my failure to follow these rules may result in the removal of my pet to another location. I further understand that if my pet becomes unruly, aggressive, shows signs of contagious disease, is infected by parasites (fleas, ticks, lice, etc.), or begins to show signs of stress-related conditions, it may be removed to a more appropriate location. I understand that the decision concerning the care and welfare of my pet and the shelter population as a whole are within the sole discretion of the shelter management, whose decisions are final.
9. I understand that pet care (i.e. feeding, watering and removal of waste from the cage/crate) is my responsibility. I understand and agree that should my animal not receive care for 24 hours or if my family leaves the shelter without the pet, the animal(s) will be considered abandoned and will be surrendered to Animal Care & Control for potential adoption, fostering or euthanasia in accordance with Animal Care and Control policy.
10. I understand that service animals are the only animals allowed on public transportation.

I hereby agree to hold harmless all persons, organizations, corporations or government agencies involved in the care and sheltering of my animal(s). I further agree to indemnify any persons or entities which may suffer any loss or damage as a result of my animal(s) or the care and sheltering they receive under this Agreement.
